OBJECTIVE

Seeking a position where I can leverage my skills as a computer science major and former educator in order to transition into a new and challenging position.

SKILLS

- **Tech-savvy**
 - Skilled in the use of Google apps, Canva & Sketch design tools, Trello, Slack, Microsoft Office Suite, Yammer, social media platforms, learning management systems, instructional technology, & troubleshooting.
 - Currently learning iOS Development including the Swift language and Xcode.
- **Project management**
 - Designed and executed a variety of projects and lesson plans while using data analysis to set goals in order to manage students' work and progress.
- **Content creator**
 - Created content using Canva design tools as well as writing skills to produce copy.
- **Interpersonal skills**
 - Collaborated, strategized, supported, and developed rapport with an immense range of personality types in a diverse setting.
- **Presentation skills**
 - Expertise in presenting content in an inspiring and engaging fashion.
- **Problem solving**
 - Proactive and intuitive mindset that targets problems and quickly identifies solutions.

PROFESSIONAL EXPERIENCE

GARRETT CO. PUBLIC SCHOOLS | OAKLAND, MD

LTS Intervention Teacher | August 2019 - Present

- Conduct daily reading and math intervention lessons while maintaining data to track student progress.
- Administer and analyze universal screeners to identify the instructional and independent reading levels of students.

WOODLAND HILLS SCHOOL DISTRICT | PITTSBURGH, PA

Reading Specialist | August 2015 – August 2019

- Collected and analyzed data to target at-risk students and plan a course of action.
- Designed and implemented the reading intervention program to students who required intensive instruction.

2ND Grade Teacher | August 2013 – August 2015

- Implemented lessons that actively engaged students in the learning experience.
- Effectively communicated with parents through e-mail, conferences, phone calls, and a class website.

STITCH FIX | PITTSBURGH, PA

Remote Senior Stylist | November 2015 – August 2018

- Personally styled clients using Stitch Fix's proprietary styling platform and continuously met company metrics while managing my own schedule.
- Used Canva to create and design resources for the Stitch Fix stylist community.

COMMUNITY COLLEGE OF ALLEGHENY COUNTY | PITTSBURGH, PA

Adjunct Reading Instructor | September 2012 – August 2013

- Designed course syllabus and facilitated instruction for College Reading courses.
- Built a course blog containing relevant resources to foster student success.
- Leveraged technology to support course objectives and assess students' progress.
